GETZEN

Like any classic piece of art, the L-70 clarinet is unique. And as with all famous lady's secrets, there's a special kind of mystery involved in the soul of this artist without ornament. Public usage has been worked into the form, playing resistance, and sweet character... so that the L-70 stands alone in achieving the pure, unadorned, commanding sound so sought after by today's leading artists. The L-70, not just another clarinet. A work of art. It's so important that this year with help of your agent.

Langlebige Werbung

Hyderabad Juni 2011

Der indische Musiker und Instrumentenmeister Dodla Giri widmet sich einer Klarinettenreparatur während des International World Music Day. Das Telefon im Hintergrund stammt aus den späten 1970ern, die Leblanc/Getzen-Werbung aus den 1980ern. Das Alter von Dodla Giri wurde uns nicht überliefert, ebenso wenig wie das der Klarinette.
